The denial, revocation, suspension, or refusal of renewal shall become final thirty days after the mailing of the notice unless the applicant or licensee, within such thirty-day period, requests a hearing in writing. The applicant or licensee shall be given a fair hearing before the department and may present such evidence as may be proper. On the basis of such evidence, the determination involved shall be affirmed or set aside and a copy of such decision setting forth the finding of facts and the particular reasons upon which it is based shall be sent by certified mail to the applicant or licensee. The decision shall become final thirty days after a copy of such decision is mailed unless the applicant or licensee within such thirty-day period appeals the decision pursuant to section 71-1333.03. The procedure governing hearings authorized by this section shall be in accordance with rules and regulations adopted and promulgated by the department. A full and complete record shall be kept of all proceedings. Witnesses may be subpoenaed by either party and shall be allowed a fee at a rate prescribed by the rules and regulations of the department.
- (3) The proceeding shall be summary in its nature and triable as an equity action. Affidavits may be received in evidence in the discretion of the department. If any violation is a repeated or continuing violation, each violation or each day a violation continues shall constitute a separate violation for the purpose of computing the applicable civil penalty, if any. The department may adopt and promulgate the necessary rules and regulations concerning notice and hearing of such application. Any civil penalty assessed and unpaid under this section shall constitute a debt to the State of Nebraska which may be collected in the manner of a lien foreclosure or sued for and recovered in a proper form of action in the name of the state in the district court of the county in which the violator resides or owns property.
